To Whom it may CONCERN,

I Recieved A Letter Few year Ago from This Settlement Administrator About this Case. And I was quietly disdurst About what I was informed About. Being that I now Lost A Great JOB propect, I couldn't understand why They turn me down, I asked them to give me A Reason But they SAY they would not. And that was not considered for the JOB. It seem strange that A few days ~~Early~~ EARLIER. The Company's I was Appling for all of A sudden. Who had showed A Lot of Interest In me Now All of A sudden. Wouldn't talk to me or Return a call. I sent me for quiet A Loop. These were very good + high paying JOB, I'am A Truck Driver By Trade And it ~~meant~~ would have meant quiet A change in my Life. I just couldn't understand what had happens. After time had past I Recieved this Settlements letters And Now I'am Beginning to Figure out what is going on Now. In Case you don't Know I'am A professional Truck Driver By Trade I Recieved my TRAINING in A Professional Semi-Tractor Trailer Truck Driver Academy, I spent quite A Lot of Money AND Hours to Recieved my C.D.L.

And I Love my Work. I Am very dedicated to what I do. AT the time I Look AND Seeking New Employment. I Put in At Least 5 or 6 Application At Good Paying Jobs, IN Which the Lowest Paying WAS 35,000 A Year AND Highest 60,000 A Year SALARY with ALL Kinds of Benefit AND Hiring Bonus's. There fore I Highly feel that A mere 35.00 To 55,00 would Not Even Begin to Be fair so I do Object. The Settlement is Not fair, Reasonable OR Adequate.

Maybe would Accept if it was just A Little more Reasonable if it would Be The Average Between the too jobs mention Above. As for the proof of my Lost I haven't Recieved Any document of the Effect of this Bad Records Keeping. ALL I Recieved was A phone call from two of the Jobs offers & No Response the the other At All when I call Back they would Not Release Any Reason for my ~~this~~ disqualifacation of Jobs. So thank You, for Reading & TAKing the Time to here my Word & feeling on this Matters.

Signed:
